Davit's Candy lines:

- Candyto
- San Georgius

CARAMELLE · APERICANDY

AperiCandy CandyTo

1 formula x 3 recipes:

As unique as a cocktail to be savored at sunset in front of the sea. Unmissable as a drink with friends after a long day at work.

AperiCandy are the CandyTo candies that combine pleasure with life's pleasures.

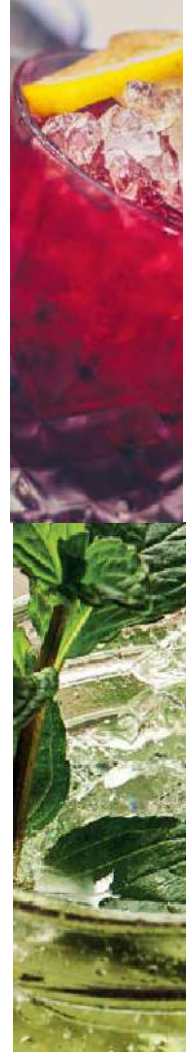

It's always time for an AperiCandy, the challenge is choosing which flavor to order.

- Mojito
- Spritz
- Vermouth

APERICANDY

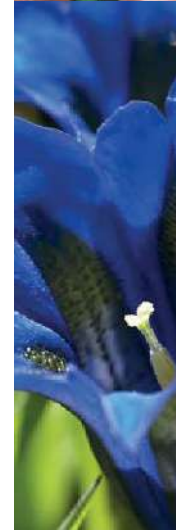

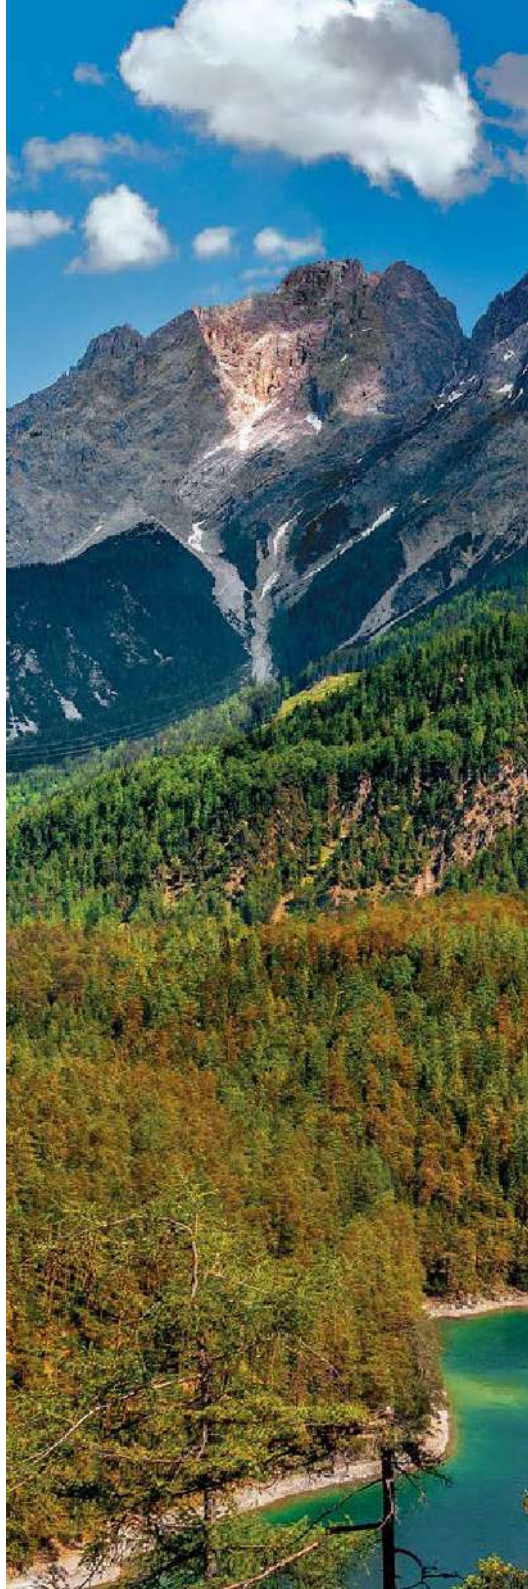

Candies S.Georgius

herbalism of the past

1 formula x 7 recipes They are born from a secret recipe more than 90 years old: a skilfully dosed mixture of precious infusions of natural herbs of Alpine origin. Aromatic candies of herbal medicine that release a unique fragrance in the mouth that lasts for a long time.
